

BOMBONIERA ITALIANA

VETRINA DINING

HANDS ON DESIGN

Con il suo raffinato e affascinante gioco di pieghe, il vassoio e centrotavola, novità della collezione Pliage, ricorda la tradizionale arte giapponese degli origami. È prodotto nella caratteristica porcellana bianca di Arita da Risogama su progetto di Denis Guidone (ph. Francesca Ferrari) (www.handsondesign.it)

ROYAL COPENHAGEN

Hav (in Danish means ocean) is the name chosen for the new collection created with the infinite and timeless horizon of the North Sea observed by those who live on its borders. The tradition of the brand engages in a new vision of conscious and modern luxury. Distr. Messulam (www.messulam.net)

HANDS ON DESIGN

With its refined and fascinating play of folds, the tray and centerpiece, new in the Pliage collection, recalls the traditional Japanese art

of origami. It is produced in the characteristic white porcelain of Arita by Risogama designed by Denis Guidone (ph. Francesca Ferrari) (www.handsondesign.it)

LE BOTTEGHE SU GOLOGONE

Created by Giovanna Palimodde thanks to the passion for her land of origin, the Barbagia, the brand offers various objects for the table. The porcelain and glass plates are characterized by bold strokes and shades of colors from shades of red to

the declinations of gray and blue (ph. Adrianna Glaviano) (www.lebotteghesugologone.it)

MARIMEKKO

Giunta al decimo anniversario, la collezione Oiva è stata arricchita con nuovi pezzi, come quelli decorati con i vivaci colori della stampa Eläköön elämä (lunga vita), la quale emana un buonumore che ha reso popolare la collezione prima in Finlandia e poi in tutto il mondo (www.marimekko.com)

Now in its tenth anniversary, the Oiva collection has been enriched with new pieces, such as those decorated with the vivid colors of the Eläköön elämä (long life) print, which exudes a good mood that made the collection popular first in Finland and then throughout the world (www.marimekko.com)
